

Participate in the Remaining District Formation Workshops!

There is still time to get involved in the City of Thousand Oaks' district formation process!

The City of Thousand Oaks is seeking input from residents on which focus maps identified by City Council during the third public hearing best represent the community. The City is hosting two community workshops for residents to discuss draft maps with the City's demographer and share feedback on elements they agree or disagree with.

Final Workshop Dates

June 22 at 6 p.m.
Virtual Via Zoom

June 24 at 10 a.m.
*Borchard Community Center,
190 N. Reino Rd.*

Residents may continue to submit draft maps for City Council consideration. The map submission deadline is **June 27**. Maps submitted by the deadline will be processed by the City's demographer and posted to maptoaks.org/Draft-Maps no later than **July 4** with a breakdown of demographics of each proposed district.

Share your input on maps you agree or disagree with! Participate in the workshops or email districtelections@toaks.org to provide public feedback on maps to consider.
